

THE STERLING – ROCK FALLS COMMUNITY TRUST SCHOLARSHIPS
Application Instructions

The Sterling-Rock Falls Community Trust administers a number of scholarship funds and welcomes the applications of high school seniors and college students. Application forms and additional information can be obtained from guidance counselors at high schools in Sterling and Rock Falls or from Midland States Bank, 302 First Avenue, Sterling, IL 61081 (Attention Peggy Carlson), phone (815) 622-1329.

Basic Requirements:

1. **Residency** - Applicants must reside within the boundaries of the Sterling and Rock Falls school district and must be a graduate of an accredited high school in Sterling or Rock Falls.
2. **Certification by school** - A guidance counselor or principal of the high school from which the student has, or will, graduate must sign the last page of the application to confirm eligibility. A copy of the student's transcript must be included as part of the application.
3. **Financial information** - Many of the scholarships are available for up to moderate income families and financial need is a factor in their award. Students applying for any of these need-based scholarships must submit a copy of their parents' complete and signed federal income tax return for the current tax year, as well as the student's return, if any, OR a copy of their FAFSA (Free Application for Federal Student Aid) summary. This information needs to show the income of the person(s) who claims the applicant as a dependent.
4. **Enrollment Status**– Scholarships are awarded for benefit of full-time students.
5. **Deadline** – Applications are due April 1. There may be additional funds available for scholarships after the initial awards are made, and the Community Trust accepts applications submitted after April 1, up to July 1. There is, however, no guarantee that any additional scholarships will be awarded from the July 1 deadline applications.

Other information:

6. **Amount of award** - The scholarship award amounts may vary from year-to-year and are dependent upon the funds and income available that is generated by the Trust. In the past, general scholarship awards to a community (2 year) school ranged from \$400 to \$1,250, and students attending a 4 year institution received between \$250 to \$2,500.
7. **Payment of funds** - Scholarship funds will be paid directly to the school that the successful scholarship applicant is attending.
8. **Renewal of Scholarships** - Applications for annual renewal of general scholarship grants are subject to satisfactory progress toward graduation and acceptable academic performance. The deadline for applications is the same as stated above. Scholarships may be available for students entering their fourth year of study at a college or university, depending upon available funds.

**Completed applications should be submitted to Midland States Bank
